A message from our Director

Dear Parents and Friends,

Welcome to Creative Children's Centers Annual Auction. We enter the world of adults to support the world of children. A place, a school, they call their own. A special place full of great joy! Where the paint and paper never run out. Where the chairs are "my size!" Where the bikes fly through the air like racecars. A place where songs are sung and bodies dance. Where tears and laughter, pictures and clay, dress-ups and pretend play are the languages spoken. A place where all children are welcome and belong.

It is with your support that CCC is able to exist. It is with your help that CCC maintains its excellence and unique character. We believe in the idea that every child has three teachers: the parent, the teacher and the community in which the child grows. Together we must unite to form a foundation of commitment to our littlest of citizens. Creative Children's Center's staff and the parents who teach by our side create a loving program in which children can bloom.

At CCC we are small but feel the strength of many for it is a worthwhile purpose for which we work. This year's auction takes on even deeper meaning for the staff, for we are hoping to visit the schools in Reggio Emilia Italy this spring. Your participation tonight will bring us closer to that goal.

I thank all who have spent so many hours putting together this event. Your commitment has been inspiring. I thank you for the children who cannot be here tonight. I thank you for their paint of many colors and for the smiles each day brings. We thank your for our school.

Lucy Chaille
CCC Director

A Message from our Parent Director

Welcome parents, friends, family and distinguished guests. As most of you know, our annual auction is the school's most important fundraiser. The revenues are used to keep tuition costs stable, help with operating costs, teacher benefits and school improvements. We could not have grown from our original 20 families in 1990 without successful fundraising.

A heartfelt thank you goes to Kathleen Toon and the wonderful team of volunteers who made this year's auction possible. We also recognize the importance of your family members who work behind the scenes supporting you during these weeks of preparation. We know that it takes a village to raise a child, and we thank you.

We are also grateful to our generous sponsors and donators. Early childhood education is such an important investment, and we appreciate the support of our community.

Tonight, let's celebrate everything great about being a child. Let's celebrate these precious children who bring us all together. Let's celebrate the future we are all sailing into.

Kim Strelchun
Parent Director

Auctioneer

Our auctioneer this evening is Dan Ewert. Dan is from Canby, Oregon and is a graduate of Western College of Auctioneering in Billings, Montana. Dan is involved in over 150 auctions a year and a member of the Oregon Auctioneers Association and the National Auctioneers Association. The type of auction Dan enjoys most is benefit auctions simply because of what they are intended to do and that is benefit a group or organization with a passion and a goal.

Creative Children's Center would like to extend its deepest gratitude for Dan's involvement tonight.

Thank you Donors!!!

A very special thank you to all of our donors. Without you, we would not have an auction. It is wonderful to have such support from the community. We urge everyone in the CCC community including all present tonight, to patronize these merchants and businesses who have been so generous to us. Please express the appreciation of CCC when you visit them.

Auction Rules

How to Bid

Every person receives a bid number upon registering at the check-in table on auction night. Only registered bidders may participate in the auction.

To bid on a silent auction item, clearly write your name and bid number on the bid sheet as well as the amount you want to pay for the item. The bid amount needs to be at least the stated minimum bid amount listed on the bid sheet. Subsequent bids must be in increments of the stated minimum raise amount.

To sign up for an easel party, clearly write your name and bid number on the easel party sign-up sheet. You may reserve as many spaces as you want for a specific party as long as there is space available.

To bid during the live auction, when the auctioneer states a bid amount, raise your number high to bid that amount until the auctioneer acknowledges your bid. If multiple people raise their cards, the bid will go to the person the auctioneer sees first. The auctioneer will determine when to end the bidding. The highest bid wins.

If you win

The winning bidder for a silent auction item is the person who has entered the highest written bid at closing time for the item. The closing time for each silent auction section is posted and announced. Upon the closing of a silent auction table, a silent auction volunteer will identify the winning bid for each item. This person has the final authority to determine the winning bid and this decision is final. The winner will be highlighted on the carbon copy bid sheet taped to the table listed on the bid sheet.

If you are the winner of a live auction item, the auctioneer will announce your bid number as the bid winner.

How to collect your purchases

All purchases must be paid for in full on the night of the auction. Payment may be made by cash, check (made out to Creative Children's Center) or credit card (Visa/Mastercard) to the cashier. Payment must be made before an item may leave the auction site.

At the end of the evening, proceed to the check-out table so that all items can be checked and verified. Your purchase information will be given to the cashier at the next table where you will pay for your purchases. After paying, please present your receipt to a runner who will gather all of your purchased items.

Liability

All sales are final. Sorry, no exchanges or refunds are possible. Please read and listen carefully to item descriptions and restrictions. The auction sponsors assume no liability and can not make any guarantees for the products or services purchased. Creative Children's Center neither warrants nor represents, and in no event shall be responsible for, the correctness of descriptions, genuineness, authorship, provenance or condition of the items. No statement made in this catalog or made orally at the auction or elsewhere shall be deemed such a warranty, representation or assumption of liability. The values listed are estimates only and are not warranted as fair market value. Items have not been appraised unless so noted. Purchases made at this auction are not tax-deductible.

Unless noted, all goods and services or certificates must be claimed within one year of the auction date. Gift certificates may not be redeemed for cash.

We regret any omission of information not provided by donors or the omission of donations received after printing deadlines.

Very Important

Many of our gift certificates have restrictions, expiration dates or may require reservations to be made in advance. It is extremely important to open and read your gift certificates, tickets, etc. immediately. CCC is not responsible for the fine print - please be sure to read it.

*Creative Children's Center and the Fundraising Committee would like to give a special thank you to **COL-TAB Inc.** for printing our auction catalog this evening.*

Please remember COL-TAB for all your customized index tabs or binding, collating, and finishing needs.

Easel Parties

This year we are offering special events for you to enjoy. Each event, called an "easel party" has a limited number of spaces available and each space in an event has a cost.

To sign-up for an easel party, clearly write your name and bid number on the easel party sign-up poster. You may reserve as many spaces as you would like for a specific party as long as there is space available. You pay the same price for each space. Here is a sample of some of the great parties we have lined up. Please visit the Easel Party section for a full list.
